Richard Surowicz, a painter currently living in Medina, Ohio, discovered how much he enjoyed the challenges of watercolor in 1992. From 1992 – 2000 he exhibited in regional and later, national shows. After the birth of his first son in 2000, Richard took an extended break from painting to focus on his family and career. It wasn't until January of 2016 that Surowicz picked up his brushes again. He has been painting vigorously ever since.

He has been juried into many national and international exhibitions including The American Watercolor Society, Transparent Watercolor Society of America, Louisiana Watercolor Society, Georgia Watercolor Society and is signature member of the Ohio Watercolor Society.
