

The Ohio Watercolor Society presents

Painting the Portrait and Landscape in Watercolor with Stan Miller

Monday, June 5 - Wednesday, June 7, 2023 | Mansfield, Ohio

In this workshop students have the options of being guided through a portrait or a landscape painting. Each day, Stan Miller will demonstrate both a portrait and a landscape. Students also have the option of working on their own subject matter. Attendees are encouraged to bring photos of subjects that they might like to paint in the future for Stan to view and discuss individually. Technique, color, choosing paintable subjects, understanding composition and design will be addressed in this workshop. If students have questions, they are welcome to email Stan at stan@stanmiller.net.

Stan Miller is an internationally known American artist. He has been a professional painter in watercolor and egg tempera for more than forty years. The artist has exhibited his paintings in numerous exhibitions, galleries and museums, and has juried art events around the world. Stan studied art for three years in a small college in Spokane, Washington, graduating in 1973. He was a watercolor instructor at Spokane Falls Community College from 1976 to 1984. A signature member of the American Watercolor Society as well as an AWS award winner, Stan Miller currently teaches workshops and classes. "I now enjoy teaching nearly as much as painting, teaching weekly classes here in Spokane and workshops around the world. However, most of my time is spent in my studio painting, hoping never to retire." For more information, visit stanmiller.net.
