winning BILL VRSCAK.

Presented by the  
Central Ohio Watercolor  
Society

Nov. 17<sup>th</sup> – Nov 20<sup>th</sup>

9:30 -4:30 pm at the

German Village Meeting House

I have a “go for the essentials and make every stroke count” approach to painting, no matter the medium. I believe this lends a sense of freshness and clarity to the work. I also believe that the simplest statements make the most impact. Emphasis in this workshop will be on helping students find the essential elements and qualities in the subject matter, and through demonstrations and group critiques show how to present these essentials in a simple, direct way. The object is to eliminate extraneous information and details, and simplify the subject

Bill Vrscak is a free-lance artist/illustrator and signature member of the American Watercolor Society. He is a realist painter whose work reflects a strong sense of freshness and simplicity, consistent with his attitude that "the simplest statements make the most impact".
